## President's Message

January 2020 brings the Chapter a full schedule. Our Hangar Lease has been reviewed and approved by the Airport Advisory Committee. More importantly the City Commission will vote on the 1 year extension of the Hangar lease on Monday, January 27th at 5:30, at City Hall in Leesburg. It would be great to see everyone there to show the city leaders our commitment and need of our hangar.

On January 11th we hosted our annual "Mooney Lunch" at our hangar. We had a great turn out for this event and we always encourage everyone to attend and visit with the pilots from around the state that will be flying in.

Lastly, our first Young Eagle date of the year is the 18th of this month. We expect a good turn out and will be inviting some City Commissioners to come out and watch what we do with Young Eagle and our Youth Program.

Like I said, a busy start to a great New Year!

Joel
