

February 2013

We had a great January meeting. A presentation by William Wynne about the aircraft conversion Corvair Engine. William is going to be having a Corvair College at our hangar. In conjunction with this he has generously donated a core engine to the chapter for our project a Pietenpol Air Camper.

Pietenpol Air Camper

The Young Eagles Boy Scout Camp out was a rousing success. Joel and Arnold need to be congratulated for their efforts. The latest report not Official, is that there were 68 Scouts flown. We had very good Pilot support, even had a Canadian Snowbird who flew some of the Scouts. I didn't get any names of the visiting pilots who supported this great effort. The weather was on the cool and windy side. Thanks again to all members and visiting chapter members who worked hard to make this event a success.

The February Meeting will convene at JimKimball Enterprises in Zellwood Florida. It is always informative to see the a/c and projects being worked on in the shop. Directions to Kimballs can be found at www.jimkimballenterprises.com under contacts.

**Remember the February meeting will be
Saturday February 23rd , 9 AM**

We are still Looking for a Newsletter Editor. Our present editor has eye problems and is experiencing trouble reading. Step up and help your chapter

If anyone has a tale to tell, if you would get us the info, we will help embellish it
Please send us any aviation adventures you have participated in

When asked by someone how much money flying takes:
Why, all of it! — *Gordon Baxter*

*Lady, you want me to answer you if this old airplane is safe to fly?
Just how in the world do you think it got to be this old?*

Contact: Earl Johns 352-343-4564

Earl is offering a finders fee to anyone who can find him a buyer.

Naval Air Museum, Pensacola, FL

Fly into 82J Ferguson Airport. Nice airport and these folks are great! Gas is reasonable self-serve, no tie down fee and they will drive you over to the museum free-about 5 miles away and pick you up when you are finished. The museum is free and the displays are first class. Most of it indoors. Great little cafe inside. It was the original cafe at Subic Bay, Philipines and re-constructed here. A wonderful day! For information on the museum see

www.NavalAviationMuseum.org
