

July 2012

Our meeting June 30 was a energetic meeting with a business meeting and then everyone going to our new Hangar and pitching in and cleaning the Hangar.

If we can continue the enthusiastic meetings like this one, our Chapter will continue to thrive. One of our long term members AL DUNLOP volunteered to fund a new Sign for the Mid Florida EAA Chapter 534 hangar, Thanks from the entire membership Al.

The July Meeting is scheduled for Saturday the 28th , tentatively we will be looking at Bill Starkey's Searey project.

I will be away for the Summer and am looking for a Volunteer to take over as newsletter Editor. You can contact me at jdcornelus@live.com or Contact Arnold Holmes our president. As I will be in England I won't put my phone number here.
