

May 2011

The June Meeting will be held, Saturday 25 June, 2011. Note this is the last Saturday of the Month. FAA presenter Rock Rockcastle will give a presentation, there will be door Prizes, so be sure to attend. Note Rock Rockcastle will give the presentation, not Rock Hardcastle as previously reported.

The May-June meeting was our semi-annual pancake breakfast and fly-In at Gator Field. I hope all those who attended were pleased with the Pancakes. There were upwards of 25 aircraft that flew in to the event. The Flying Gators were happy that the event was well attended.
